Dominical

Listing ID: 40014899165

This beautifully built, custom home in Hatillo sits above the ocean near Dominical. The home features stunning wood finishes and tropical landscape making every day the perfect day in paradise. Inside the home are 3 spacious bedrooms, 2.5 bathrooms, second story loft, and open kitchen and living room space that opens up to the large ocean view balcony. The master bedroom has an additional balcony that overlooks the pool and covered rancho for entertaining. Build it as Big as You Can Dream it on Over 11 Acres of Land The property encompasses 11.35 acres of mountain landscaping. The home comes with AC but you won't need it most days with the ocean breezes being swept up the hillside and through your home. There are flat buildable areas above and below the house so you have the opportunity to build a small community, multiple guest homes or caretakers quarters, a small bed and breakfast, or keep it raw and completely private for yourself. With a variety of old-growth trees, there's a lot to see as you walk through the jungle and trails could be easily created. Being up here not only gets you closer to the clouds, bu
